Ms. Robyn Jones
NSW Golf Foundation
PO Box 195
Arncliffe NSW 2205

Dear Ms. Jones

Further to our letter of thanks, we write to inform the NSW Golf Foundation of the remarkable progress made to our course after two years of hard work and perseverance by the staff, directors and golf club committee.

As it was indicated in our previous correspondence, this result was extremely difficult to achieve without your financial assistance given the tough times throughout the Club Industry in recent years. Accordingly, we cannot thank your Foundation enough for making the huge contribution to the Club so that this community asset could be again restored.

We have enclosed material and photographs of before and after the project together with newspaper clippings which will give your Board of Governors an overview of the extensive amount of work that has been done in order to accomplish the end result.

Yours sincerely

Joe Lico
Secretary/Manager
